Verse:

A (use intro picking pattern)	C#m	D	C#m	Bm	
Well, based on your smile		I'm betting all of		this might be over	
E	E				
soon					
A	C#m	D	C#m	Bm	
...But you're bound to win	Cause if I'm betting against	you , I think I'd rather			
E	E				
lose					

Pre-Chorus:

Bm	E	
...But this is all that I have so,		

Chorus:

A	G#	D	E	
Please.....	take what's left of this heart and			
A	G#	D	E	
Use.....	please use only what you really			
A	G#	D	E	
Need.....	you know I only have so little so,			
A	G#	D	E	
Please.....	mend your broken heart and... leave			

Repeat Intro:

Verse 2:

I know its not your style
 I can tell by the way that you move... it's real, real soon
 But I'm on your side
 And I don't wanna be your regret, I'd rather be your cacoon

Pre Chorus:

But this is all that you have, so...

Chorus:

Please... let me take whats left of your heart and I will
Use... I swear I'll use only what I
Need... I know you only have so little so
Please... let me mend my broken heart and

Bridge:

A	C#m	
you said this was all you had	And its all I need	
F#m	D	
but, blah blah blah	because it fell apart, and	
A	C#m	
I guess its all you knew	And all I have	
F#m	D	
But now we have	Only confused hearts, and	

Pre Chorus:

I guess all we have is really all we need, so

Chorus:

Please... let's take these broken hearts and
Use.... let's use only what we really
Need... you know we only have so little, so
Please.... take these broken hearts and leave.
