### Verse 2

Cops on the corner always ignore  
Somebody's getting paid  
Jimmy's got it wired, law's for hire  
Got it made in the shade  
Got a little hideaway, does business all day  
But at night he'll always be found  
Selling sugar to the sweet  
People on the street call this Jimmy's town

## Chorus (Full)

He's the one they call Dr. Feelgood He's the one that makes ya feel alright  
He's the one they call Dr. Feelgood ( Play Main Riff then go to Turnaround )  
He's gonna be your Frankenstein

## Verse 3

He'll tell you he's the king  
Of these barrio streets  
Moving up to Shangri-La  
Came by his wealth as a matter of luck  
Says he never broke no law  
Two time loser running out of juice  
Time to move out quick  
Heard a rumour going round  
Jimmy's going down this time it's gonna stick

## **Chorus (full)**

He's the one they call Dr. Feelgood  
He's the one that makes ya feel alright  
He's the one they call Dr. Feelgood  
He's gonna be your Frankenstein

Let him soothe your soul, just take his hand  
Some people call him an evil man  
Let him introduce himself real good  
He's the only one they call "Feelgood"
