Tell me your secrets, and nurse me your quest-ions Oh lets go back to the start

Running in circles, coming in tails Heads on a science apart

VERSE 2

I was just guessing at numbers and figures pulling the puzzles apart

Questions of science, science and progress do not speak as loud as my heart

And tell me you love me, come back and haunt me, oh and I rush to the start

Running in circles, chasing tails coming back as we are

CHORUS 2

Nobody said it was easy

Oh it's such a shame for us to part

Nobody said it was easy

No one ever said it would be so hard

I'm going back to the start
